Final Evaluation for Practicum

Please provide feedback about your practicum experience. Your feedback will become a part of the class files and will be available for future students to review as they explore practicum sites.

Practicum site: _____

Semester/year practicum completed:_____

Practicum Supervisor:_____

1. What were your expectations/goals before beginning your practicum experience?

2. What were your responsibilities/project(s) as a part of the practicum?

3. What skills did you develop or enhance as a part of the practicum experience that you can apply to your future professional work?

4. What aspects of the practicum experience were most effective?

5. What aspects of the practicum were the least effective?

6. What suggestions do you have for improving the practicum experience?
