Introducing the new 12 credit social justice in higher education graduate certificate where students will:

- Develop a broad-based understanding of the dynamics of privilege and oppression at the individual, group, institutional, and systemic levels in higher education.
- Acquire the knowledge and skills to work actively for social and economic justice.

This program is open to students, in all areas of study, with an interest in social justice work.

Certificate requirements:

- 3 credit required Social justice theory, research and practice course
- 9 credits selected from 11 social justice courses

Listing available online at:

<http://www.elps.hs.iastate.edu/sjhe/courses.php>
