Note: The least expensive accommodations are located farther from campus, however if these hotels meet your needs rides may be able to be arranged. Please be sure to indicate where you prefer to stay on your registration form. Email John Bulcock, I-Days coordinator if you are not either taking advantage of the I-Days host program or planning to stay in the Memorial Union hotel.

Note: Distances are approximate using mapquest.com

Note: Cy-Ride is our city's bus system and is available to you for \$1 per ride. Information can be found from the www.iastate.edu home page by looking under "C" at the top of the website. Of course we will help you find your way once you arrive.

Note: Current graduate students will be opening up their homes to you! Be sure to indicate your interest in staying with a host on the registration form.
