

**Iowa State University
I-Days 2007 Transportation**

Airport Transportation

Des Moines International Airport Ground Transportation

Please visit the following website for questions regarding transportation to and from Ames to the Des Moines International Airport.***

http://www.dsmaairport.com/Travel_Info/Ground_Transportation.htm

***Note: For I-Days, we will be arranging rides to and from the Des Moines International Airport. Based on your travel arrangements, most candidates will be able to be picked up. This will be confirmed by email once we have all candidates' travel plans.

In-Town Transportation

During I-Days, your host will provide in-town transportation to and from campus. If you are staying in the Memorial Union Hotel, you will only need transportation for our dinner out on the town. That, too, will be arranged for you.

If you choose to stay in a hotel located off campus, it is very likely that we will be able to arrange transportation to and from campus for you. If, for some reason, this should not be the case, many of the area hotels are located close to a CyRide stop. CyRide is the city of Ames' public transportation system. One-way fares are available for \$1. Please visit <http://www.cyrider.com/> for information regarding CyRide.

Taxi service in Ames is extremely limited. You may not want to rely on it without making reservations in advance.
